# ROGUE RIVER GOLDEN GIANT PEARS

GROWN BY  
*Spatz Bros.*

*Crystal Springs Orchard*

MEDFORD, OREGON

Dear Friend:

Wouldn't you enjoy seeing some of Oregon's glorious gladioli grow four and five feet high in your garden? Wouldn't you enjoy the compliments of friends and flower experts when they see these wonderful blossoms? Ward and I think you will. That's why we're writing this letter to you.

We want you to know about the several hundred Crystal Springs Golden Giant Gladiola bulbs we now have on hand---every one raised on our own farms---and ready for you at prices that will seem unbelievable.

BUT more about the bulbs. We wish you could have seen them in bloom on our farm last Fall. Acre after acre of them. Every one standing way more than waist high. Every one a perfect flower. But we weren't satisfied to take them from the fields and ship them as they came. No, sir.

After we had gathered them in, they were sorted carefully by hand. (Just as we sort our famous GOLDEN GIANT Pears). The weak ones were thrown aside. The strong ones were placed in our special storage rooms. And those are the ones we're telling you about.

And this is your opportunity to secure as many as you wish. (Providing you send your order in right away before the supply is gone). And get them at prices that are low enough to seem ridiculous. One dozen is only \$1.85. Two dozen, \$2.85. And in lots of one hundred they cost \$4.85 a hundred. Think of it! You can't beat that for bulbs that haven't an equal at anywhere near the price.

And here's an idea. We put these up very attractively in cellophane bags in our regular GIFT BOX. Wouldn't this make a splendid gift for Easter or Mother's Day---especially the latter? Any woman would enjoy receiving these wonderful Golden Giant bulbs.

But, remember---to be sure that you get as many of these Crystal Springs Gladiola bulbs as you'll want, you must get your order in right away. Just fill in the order blank---we do the rest. Use the air mail return envelope. Be sure to enclose your check or money order. Do not send cash. And never mind the postage. We pay that anywhere in the United States.

We'll enjoy serving you,

SPATZ BROS.

P.S. We still have a few of our famous Golden Giant Pears left. Here is a chance to try them at reduced prices. Only \$1.75 for the 10 pound Senior deLuxe, and \$2.75 for the large 20 pound Master deLuxe. This is a bargain. Just send your order along with the Glad order. All boxes prepaid. You have never tasted pears like our GOLDEN GIANTS.
